

PKL's Systemic Hiring Process

STEP 01

Pre-Award Recruiting

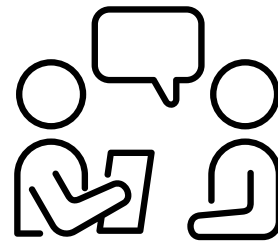

Our recruiting team utilizes multiple resources to source qualified candidates and begin collecting applications prior to contract award.

STEP 02

Screening & Interviews

Our recruiting team actively screens candidates for necessary qualifications then passes along the best candidates for interviews.

STEP 03

Selection Process

Our management team adheres to a proven selection process to select the best candidates and extend offer letters.

STEP 04

Onboarding and Candidate Retention

Hired candidates move into our efficient onboarding process to prepare for their new role. Candidates not immediately offered a position are retained in a candidate pool for future openings or other qualified positions.
